Inauguration Ceremony in Belgium and in France

The construction of plants of our subsidiaries F.P.N.I.BELGIUM N.V. in Belgium and F.P. Natural Ingredients S.A.S. in France has been completed, and inauguration ceremonies were held respectively on November 14th in Belgium, and on November 16th in France. The plant will soon commence operation in Belgium. And the plant in France will thereafter follow suit. Please find attached photographs.
